## Introduction

At Aegis, we are committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our mobile application, Aegis Mobile Shield One.

## Information We Collect

1. **Personal Information:** When you use our app, we may collect personal information that you provide directly to us, such as your name, email address, and phone number.
2. **Usage Data:** We do not collect any information about your interactions with the app.
3. **Device Information:** We do not collect information about the device you use to access the app.
4. **Authentication Data:** We collect data related to your authentication methods, such as fingerprint or facial recognition data, but this data is stored securely on your device and is not accessible by the app.

## How We Use Your Information

1. **To Provide and Improve the App:** We do not use your information to operate, maintain, or enhance our app or features.
2. **To Communicate with You:** We do not use your contact information to send you updates.

## How We Share Your Information

We do not sell, trade, or otherwise transfer your personal information to outside parties.

## Security of Your Information

We implement a variety of security measures to maintain the safety of the software information. Your data is encrypted and stored securely to prevent unauthorized access.

## Your Rights

You have the right to:

1. Use the OTC generated by the app for authentication purposes.
2. Update the version of the app available in the market place provided by Aegis Technologies.
3. Migrate user profile to a new release.
4. Migrate user profile to a new mobile app provided by Aegis Technologies.

## Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on our website.
